Proxy Forms received later than this time will be invalid.

In accordance with section 249L of the Corporations Act, Members are advised that:

- each Member has a right to appoint a proxy;
- the proxy need not be a Member of the Company;
- a Member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the Member appoints 2 proxies and the appointment does not specify the proportion or number of the Member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes;
- Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that: if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this Annual General Meeting. Broadly, the changes mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does:**

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed);

EAST ENERGY RESOURCES LIMITED

ABN 66 126 371 828

- if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands;
- if the proxy is the chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair of the meeting – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of a company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of Shareholders in connection with the business to be conducted at the Annual General Meeting to be held at Bentleys, Level 1, 12 Kings Park Road, West Perth WA on 27 November 2015 at 11:30am WST.

The purpose of this Explanatory Statement is to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions in the Notice of Meeting.

Where the Chair is appointed as proxy for a Shareholder entitled to vote, the Chair will (where authorised) vote all undirected proxies in favour of all of the Resolutions to be considered at the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

The financial report of the Company for the year ended 30 June 2015 and the reports by the Directors and auditors thereon will be presented for consideration.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

General

The Board is submitting its Remuneration Report to Shareholders for consideration and adoption by way of a non-binding resolution as required under the Corporations Act.

The Remuneration Report forms part of, and is clearly identified in, the Directors' Report included in the Company's 2015 Annual Report. The Remuneration Report:

- explains the Board's policy for determining the nature and amount of remuneration of executive Directors and senior executives of the Company;
- explains the relationship between the Board's remuneration policy and the Company's performance;
- sets out remuneration details for each Director and members of the Key Management Personnel of the Company; and
- details and explains any performance conditions applicable to the remuneration of executive Directors and members of the Key Management Personnel of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Meeting.

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

Voting consequences

Under changes to the Corporations Act which came into effect on 1 July 2011, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings. If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

The Corporations Act also provides that all of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

EAST ENERGY RESOURCES LIMITED

ABN 66 126 371 828

Following the Spill Meeting, those persons whose election or re-election as directors of the company is approved, will be the directors of the company.

Previous voting results

At the Company's previous annual general meeting, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Voting exclusions and recommendations

Voting exclusions apply to this Resolution as specified in the Notice.

The Chair intends to vote all available proxies in favour of adoption of the Remuneration Report, subject to any instructions of the Shareholder to the contrary included in the Proxy Form.

The Board considers that the remuneration policies adopted by the Company are appropriately structured to provide rewards that are commensurate with the performance of the Company and the individual. Noting that each Director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the Board recommends that Shareholders vote in favour of Resolution 1.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR REX LITTLEWOOD

Pursuant to the Constitution, Mr Rex Littlewood will retire by rotation at the Annual General Meeting and, being eligible, offers himself for re-election.

Mr Littlewood was appointed to the Board on 20 July 2010. He has served as a non-executive director of the Company and is a nominee of Noble Group Ltd, a substantial shareholder of the Company.

Mr Littlewood, under his company, Australian Carbon Assets, consults in most aspects of coal mine evaluation, coal technology and marketing and was formerly vice president of Noble Energy Ltd, a subsidiary of Noble Group. He was responsible for their Asian coal and coke platform, and for developing their Australian operations.

Mr Littlewood, 65, has more than 30 years experience in the international coal market, where he was involved in the development of mines as well as mining and export infrastructure. At Noble Energy Ltd he designed and implemented a fully integrated, computerised coal management system from mine to customer, capturing all data in a "paperless" process.

Mr Littlewood holds a Bachelor of Science from the University of Newcastle. Over the past 3 years Mr Littlewood held a directorship with Blackwood Corporation Limited, before it was delisted due to an acquisition by Cockatoo Coal Ltd.

The Board (other than Mr Littlewood because of his interest) recommends that Shareholders vote in favour of Mr Littlewood's re-election.

4. RESOLUTION 3 - APPROVAL OF 10% PLACEMENT FACILITY

4.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the eligible entity's annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% annual placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that, as at the date of the relevant annual general meeting, is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. At least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

EAST ENERGY RESOURCES LIMITED

ABN 66 126 371 828

If Shareholders approve Resolution 3, the number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to section 4.2(c) below).

The Directors believe that Resolution 3 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.

4.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

(c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of Shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of Shares issued in the 12 months with approval of holders of Shares under Listing Rule 7.1 and 7.4. This does not include issues of securities under the entity's 15% annual placement capacity without Shareholder approval; and
- (D) less the number of Shares cancelled in the 12 months.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating an entity's 15% annual placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.1 or 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% annual placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 356,480,930 Shares and therefore has a capacity to issue:

- (i) 53,472,139 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being sought under Resolution 3, 35,648,093 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

(e) Minimum Issue Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

EAST ENERGY RESOURCES LIMITED

ABN 66 126 371 828

- (ii) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (iii) if the Equity Securities are not issued within 5 ASX trading days of the date in section (e)(i) (above), the date on which the Equity Securities are issued.

(f) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

(g) Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without subsequent Shareholder approval and without using the Company's 15% annual placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

4.3 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) Minimum Issue Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 ASX trading days of the date in section (a)(i) (above), the date on which the Equity Securities are issued.

(b) Risk of voting dilution

If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for

EAST ENERGY RESOURCES LIMITED

variable 'A' calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

Dilution				
Variable 'A' in Listing Rule 7.1A.2		50% decrease in Current Issue Price \$0.003	Current Issue Price \$0.006	50% increase in Current Issue Price \$0.009
Current Variable 'A' 356,480,930 Shares	10% Voting Dilution	35,648,093 Shares	35,648,093 Shares	35,648,093 Shares
	Funds Raised	\$106,944	\$213,889	\$320,833
50% increase in Current Variable 'A' 534,721,395 Shares	10% Voting Dilution	53,472,139 Shares	53,472,139 Shares	53,472,139 Shares
	Funds Raised	\$160,416	\$320,833	\$481,249
100% increase in Current Variable 'A' 712,961,860 Shares	10% Voting Dilution	71,296,186 Shares	71,296,186 Shares	71,296,186 Shares
	Funds Raised	\$231,889	\$427,777	\$641,666

The number of Shares on issue (Variable 'A' in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. It is assumed that no options are exercised into Shares before the date of issue of the Equity Securities.
- (iii) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (iv) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1.
- (v) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (vi) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (vii) The issue price is \$0.006, being the closing price of the Shares on ASX on 14 October 2015.
- (viii) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.

(c) 10% Placement Period

The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

(d) Purpose of Issue under 10% Placement Facility

The Company may seek to issue the Equity Securities for the following purposes:

- (i) as non-cash consideration for the acquisition of the new resources, assets and investments (including previously announced acquisitions). In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (ii) as cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new resources, assets or

EAST ENERGY RESOURCES LIMITED

ABN 66 126 371 828

investments (including expense associated with such acquisition), continued exploration and feasibility study expenditure on the Company's current assets and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation under the 10% Placement Facility

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors, including but not limited to the following:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of the new resources assets or investments.

(f) Previous Approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 25 November 2014 (**Previous Approval**).

The Company has not issued any Equity Securities pursuant to the Previous Approval.

During the 12 month period preceding the date of the Meeting, being on and from 27 November 2014, the Company has not issued any Equity Securities.

(g) Compliance with ASX Listing Rules 7.1A.4 and 3.10.5A

When the Company issues Equity Securities pursuant to the 10% Placement Facility, it will give to ASX:

- (i) a list of the allottees of the Equity Securities and the number of Equity Securities allotted to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.5A for release to the market.

4.4 Voting Exclusion Statement

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 3.

5. ENQUIRIES

Shareholders should contact the Company Secretary on (+ 61 8) 9226 4500 if they have any queries in respect of the matters set out in this Notice.
